1 · Health & Activity Summary

AI INSPECTIONS	GARAGE SERVICES	ACCIDENT EVENTS
5	0	See section below

2 · Garage Service History

No completed garage service visits recorded yet.

3 · Accident History

No accident-related service events recorded in this vehicle history.

This Car Life Summary aggregates inspection, service, and accident records available in AutoVault at the time of generation. It is intended for owner reference and resale transparency — not a legal vehicle history certificate. Registration expiry and mileage are estimates based on profile data supplied by the owner.
